LETTERS TO THE LOUNGE

Dear Club,

I'm a single girl right now, so to get my jollies I have to resort to diddling myself. Not that I mind that, because if it's just me and my hand, or a vibrator, I can keep the pleasure going all night long and all I'd need is a change of batteries! Very few men could compete with that.

While I'm fingering my pussy, though, I like to think back to past conquests – to men I've ridden to exhaustion and ones who kept me wanting more. When I do that, one man in particular always stands out, and more often than not, I'll bring myself off to thoughts of JD.

When I read a lot of your reader's letters, many of them deal with guys with bigger-than-average packages in their boxers. Now, I like a nice, big cock as much as the next nymphomaniac, but like in Formula 1, it's not all about the vehicle – the driver's got to take his share of the credit as well! And JD was some driver, even though his engine was, how shall I say this, a bit smaller than usual! Well, they do say that good things come in small packages.

JD was a good-looking man, with a confidence in his walk that I found especially attractive. When we first went to bed, though, I was a little apprehensive as his boxers came off because his dick couldn't have been more than five inches long, max, fully erect. But he seemed to read my mind, and he used his fingers and tongue to take me to places I'd

never been before.

He gently played with my fleshy fucklips before sliding just one finger into my wet slot; while in there and exploring nicely, he kissed my clit and licked the whole package, which can really make a woman's toes curl – in a good way! He then slid another finger in, and started with a good rhythm, fucking my cunt and playing with my clit.

I hadn't met many men who really knew how to finger-fuck a woman, much less multi-task on the clit as well. But JD knew how to please a woman, and gave me two orgasms on his hand and tongue.

But after that, I needed a good stout fucking, and I had my doubts as to whether he'd be able to deliver. As he lay me flat on the bed and eased a pillow under my arse, I should have known he knew what he was

doing; after all, no man had ever previously given me two orgasms before fucking me!

I spread my legs wide and accepted his organ into my hot cunt, and all my disappointments were cast aside. He swivelled and rotated his hips as he screwed me, and that stumpy cock of his found places in me even I didn't know I had! I came and came on his dick, and totally forgot about its size; here was an expert with his cock, who understood women, who knew the interior of a pussy like the back of his hand.

He fucked me doggie-style, bringing me off with the power of his pelvis; he fucked me hard and deep, alternating playing with my clit and tits to keep my cunt soaking wet. He turned me on my side and pressed my legs together, standing next to the bed while fucking me, my thighs putting pressure on

my swollen, throbbing clit to match his cock pumping away inside me. He even lifted me up and literally bounced me back and forth on his wonderful cock, swinging me like I weighed nothing at all.

I rode him for a time, too, but all the while, I was thinking how much I wanted him back in the saddle and working his particular magic. I've never felt so perfectly worshipped during sex before or since. JD paid attention to every last part of me, and my whole body was purring

VICTORIA CLUNGE!

Dear Club,

I've got a question that might strike you as a bit strange, but it has been troubling me all week. What happened to the cake from your fabulous birthday cover last month? Did the girls get to eat it, or did they have a messy time with it and you're just being mean by not showing us the photos? And if there's any left, any chance of a slice?

Ramsey, Featherstone

Sorry, Ramsey, it's all gone. The editor snaffled a slice and left the rest to the girls and the photographer. We tried to get the girls to go all messy with the cake but, to be honest, they were too busy eating each other to care about a nice bit of Victoria sponge.

40 & STILL NAUGHTY!

Dear Club,
 Congratulations on your 40 years at the top of the magazine game. I'm probably one of your oldest readers and have bought nearly every issue. I know most people look at girls on the internet now, but that just doesn't do it for me, even though I have broadband. I just appreciate the feel of the magazine in my hands as that's the way I discovered glamour girls back when *Club* started out. My regards to the lovely Sasha, by the way. She's magic.

John, Oxford

Thanks for the kind words, John, and we're glad Club has been doing it for you for 40 years. As the editor, I can say I discovered glamour girls through Club as well, which is why I'm so proud to be editing it. And with girls like Sasha popping up, long may it continue!

like a racing bike under the hands of an expert rider. He'd bring me to the point of orgasm then pull back, but had the skill to keep me right on the edge, teasing me but bringing so much pleasure, before letting my orgasm wash over me time and again, each time better, stronger, than the last.

JD fucked me for hours, and I loved every single fucking second of it. I also learned a lot, not just about sex, but also that judging anyone by their appearance doesn't get you anywhere, and it might mean you miss out on a spectacular fuck!

NICE JUG! ♣

...but Anastasia's are much nicer!

Anastasia is a game girl. Not many females of our acquaintance would be up for stripping off – bum and everything – in the grounds of a beautiful country house. Especially when it was open to the public...

"I don't think any security saw us," giggles Anastasia, "but I did see a few inquisitive tourists peering over. It probably livened up a boring day!"

It certainly did ours.

"I quite like flashing in public, but not as much as I like sex outside. Give me some trees or a horrible car park and I can find something to do that's sexy and fun. I can't even cum in bed any more – I need my arse to be resting on a cold concrete ledge or have my knees in a pile of leaves!"

Let's just hope the coalition doesn't sell off all the woods. Where will Anastasia go? ♣

Sasha's Secrets

Every month, Club's sensational regular girl Sasha will act out your fantasies. She's not shy – write to her and tell her exactly what you want her to do. Who knows, you might be lucky enough to get Britain's fittest lass juicing up over your letter and then making it come to life. Oh, and she gets even dirtier online, where we've got the pics we can't show you in the mag!

Sasha

*Sasha's
Secrets*

I've been promising you naughty boys and girls that I'd dress in my nurse's outfit for a while, haven't I? Sorry for teasing you for so long. The thing is, every time I put this on, I get out of hand! It's like a charge runs through me and I go sex mad. I just want to treat a bloke like my patient and nurse his cock in my mouth. What could be sexier than a nurse peeling back the sheets and taking your aching hard-on between her lips? I'd smack it against my nipples before deepthroating it. What's that? Your balls ache? I'd better suck them a little then, and then empty their contents straight down my throat. After all, isn't that what the NHS is all about? Well, it certainly would be if I worked there! ♣

Dear Sasha

I'm not going to beat about the bush, Sasha. Yours are the first pages I turn to when I buy my monthly *Club*, and the first ones I wank to. I keep meaning to save my spunk for the rest of the mag, but if I touch my dick when I start looking at your pictures, I can't leave it alone. Sorry, just had to tell you that.
Adam, Herts

I admire your honesty, Adam, but I'm also glad I'm the girl you wank off to. I love the other girls in Club, but I'm sure there are readers checking them out, so just keep saving your lovely sperm for me. It turns me on to think of you pulling on your meat with the mag open in front of you and me looking up at you. In fact, I'm going to have to go and do something about that right now!

Dear Sasha

In my fantasy, you're a private caterer who cooks meals for couples in their own home. Only, my other half has got stuck in traffic and is really late. The night is turning into a disaster, until you take off your apron and disappear beneath the dining table. When you re-emerge, my dick is in your mouth, and it's still there when my wife walks through the door. She's open-minded, so instead of going mad, she joins in and we have a wild threesome.

Richard, Colchester.

You certainly have a very understanding wife, Richard! I love threesomes, especially when me and another girl tag-team a cock. I love the expression of pleasure on a man's face when he looks down and sees one girl sucking his knob, the other sucking his balls. Bliss!

NAME: Jaye **AGE:** 18

FAVE SEX: Tit wanks

WHAT'S SHE LIKE? Buxom and oh-so-bangable.

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?

A friend from down the pub said I reminded him of a red-headed version of his favourite model, Katie K, and I should give it a go!

WE CAN SEE WHAT HE MEANT.

Me too. I love Katie and I'd love to meet her – and fuck her. We've both got big, natural boobs in common, I suppose.

WE WERE JUST ABOUT TO SAY 'MY, WHAT BIG BOOBS YOU HAVE'.

Have I? I'd never noticed! Only joking, I suppose they're what most people notice first!

DO YOU MAKE THE MOST OF THEM?

Not half! I love giving tit wanks with them. Most blokes I shag ask before too long, and I'm happy to oblige. I love the tip of a dick peeking out when I wrap my tits around it. And I love to have a guy lose his mess all over them.

ANY MODELLING PLANS?

Dunno, really. This was fun, so I'll see if I get any more jobs for other mags. I might even do a couple of movies and see if these big old tits gets me noticed! ♣

Our Readers' Girlfriend is all grown up!

We're always extra proud when models graduate from being a Readers' Girlfriend to become a model in their own right. We get a warm glow that we've uncovered yet another lady who will be making penises twitch in appreciation the world over.

"I never thought it would happen," giggles Danielle. "I did shoot for a couple of other magazines, but I thought that would be it. Now I'm in *Club* again, I've been all over the world, met some really famous models and photographers and I've having the time of my life!"

And what about the *Club* reader – your fella, we believe – who sent the original pictures in?

"Erm, he's long gone, I'm afraid. He thought he'd show my family the pics in *Club* for a laugh, and some of them went ballistic. So goodbye to him! Never mind, I'm having such a blast round the world that staying loyal would be a real problem anyway!"

You're being a naughty girl?

"Hey, this might only last a short while. A girl has got to enjoy herself while she can, doesn't she?"

You won't hear us disagreeing. ♣

PORN STAR RETIREMENT HOME

Where we look back at the cock-slungers who hung up their chaps...

No. 8 – MONIQUE COVET

Born in Budapest, Hungary in 1976, Monique Covet was discovered in the mid-nineties by legendary fat pornographer Pierre Woodman.

Woodman cast her in some movies for Private and before long this blonde became the embodiment of the hardcore label, appearing in over 30 films for Private twixt the years of 1995 and 2001. It was fetish director Tanya Hyde who took Monique's angular looks and

spunkable tits to new kinky lengths in films such as *Twisted Dreams*, *London Calling* and *Rubberfuckers Rule*, all of which starred Covet and saw that her face beamed out from every sex shop in the country as these best-sellers made the most of the UK's brand new R18 certificate.

Miss Covet then quit the biz to concentrate on her gymnastics (which we'd already seen plenty of in her films) and horse riding. She briefly reappeared to make one film in 2003, but retired again the following year, and has not performed since. However, there is a reason to be positive. Monique (who holds an accounting degree and is fluent in four languages) does own her own hardcore DVD label and hasn't ruled out making an appearance again. So let's cross those fingers and hope her tits get sprayed with man-muck once more.

BIRD OFF THE BOIL

YOU WOULD, WOULDN'T YOU? OR WOULD YOU?

THIS MONTH: **Helena Bonham-Carter**

Don't get us wrong, she's a great actress (as evinced by her recent showstopping performance in the lovely *The King's Speech*) but this dainty English rose has gone from being swoony and winsome in her 80s and 90s heyday, when she played a succession of posh, corseted totties in films like *Wings of the Dove*, *Howards End* and *Room With a View*, to something else entirely. We blame hubbie Tim Burton for the scrawny goth look

she goes for these days, as he seems to enjoy making her look cadaverous and weird in his weird, cadaverous little films (*Sleepy Hollow*, *Charlie & the Chocolate Factory* and *Sweeney Todd* being recent examples).

Although, to be fair, she did start rocking that look back in 1999 when she appeared as Marla in *Fight Club*, but she was still fit back then (her slo-mo, freeze frame sex scene with Brad Pitt was something to behold). So come on, Helena, put a comb through that hair and put some nice make-up on. We know you've still got it in you, love.

NEWS OF THE SCREWS

YOUR MONTHLY ROUND-UP OF THE BIG STORIES IN THE PORN BIZ

Elektra glides in blue movie

This March, top-heavy saucepot Carla Gugino (*Sin City*, *Entourage*, *Spy Kids*) will star as retired porn star Elektra Luxx in camp comedy named, appropriately enough, *Elektra Luxx*. You can see the trailer on *YouTube* now, and some of it looks like it might be pretty saucy, if a touch on the low-budget side. Gugino has been playing the character for a while now, appearing in sketches on various websites, and this'll be the big screen debut for the character (who now teaches sex education at a community college). As long as she gets some of that rack on display, we'll be watching when it gets a release over here.

Goosed

Alabaster-skinned fuck-goddess Stoya has been talking about her new big budget epic, *Top Guns*, shot for Digital Playground. She told Australian *Penthouse*, "We play military jet pilots in a spoof of *Top Gun*. It was a lot of work, but finally getting to touch Kayden Kross's vagina made it all worth it." Not always a fan of big budget feature porn (too much plot/bad acting/silly costumes, not enough rampant fucking) but the thought of Stoya in military gear getting reamed left, right and centre sure does appeal. We shall see when it's released this month.

THE BIT ABOUT BABES WHO LOVE TO BLOG...

It seems that the title of 'Buttwoman' is like that of James Bond or Dr Who, in that every few years another round-rumped porno starlet rocks up and takes the mantle as her own. At the moment, it's booty-delicious (or 'bootylicious', as I like to call it) Alexis Texas who's romping from city to city across the States dancing in clubs and appearing in gonzo fuckflicks under the moniker, and very fitting it is too. Her bottom is peachy-perfick and manages (quite miraculously) to

be large, pert and mouth-watering all at once. She's very aware of this, and posts pics of it with great regularity on Twitter, along with her musings on the world (not ultra-enlightening, to be honest, but packed with childlike glee) and photos of her cute doggies. Here's some stuff she's spouted recently...

"Sunday funday!!
Still snuggled in bed
with my pups waiting
on my breakfast!!!
#happybooty?"

"i feel like there
are a lot of haters
on twitter today...
who pissed in your
cheerios today? FYI:
FUck Off if you dont

=)"

"Sticking things in

get my booty rest!
Peace out"

"Good Morning! i had
a great 1st night at
the rhino thanks to
everyone that came
out to support my big

again tonight baby"

Yep, she's an adult who fucks on film for cash and says things like "yummy yummy in my tummy". A clinical psychologist would have a field day with her, I'm sure. Follow her at www.twitter.com/Alexis_Texas cos she's carefree, fun and, as Al Pacino bellowed in *Heat*, "she's got a great ass!"

Top Five...

Sexy Vampires

The hottest red-blooded fang-bangers, and not a bint from Twilight in sight...

5: Pam out of True Blood

Eric Northman's right-hand gal is the MILFiest vampire you ever did see, strutting round with an S&M vibe that'll get your blood flowing to all the right places. And when she talks dirty it turns us into Lost Boys. In a nice way. Oh, and she's a big dirty lesbo as well.

4: Santanico Pandemonium out of From Dusk Till Dawn

Not sure if Salma Hayek's vampy stripper zombie queen (or whatever the hell she is, we don't fucking know) counts as a proper vampire, but we'll take any excuse to run this shot of her in a bikini. Cheers.

3: Selene in Underworld

As essayed by Kate Beckinsale in films that, despite their inherent shitiness, are utterly watchable on account of her tight leather troos and totally gorgeous face. Pleease, Kate, do more nude scenes.

2: Jessica out of True Blood

True Blood again (which is understandable, seeing as it's about the raunchiest show on TV) and newcomer Jessica is the redheaded sister of the night I'd most like to put my stake into. Not in a stabby way, in a fucky way.

1: Ingrid Pitt out of the Vampire Lovers

RIP Ingrid. Only recently shuffled off this mortal coil (and not showing signs of having been resurrected) Ingrid practically invented sexy vampire larks, so we have her to thank for all the others. Buffy would have been no match for her.

PRICKIPEDIA

SEXY SEX FACTS ABOUT SEX

Mosquitoes mate in the air and their sex act lasts only 2 seconds (a record I have tried to beat)

Every day, 200 million couples around the world have sex, which is approx 2,000 couples at any given moment (and I'm never one of 'em)

Up until 1884, a British woman could be sent to prison for denying her husband sex (speaking as a feminist, I would still like that law to come back)

Dacryphilia is arousal due to seeing tears in the eyes of a partner (which basically means you're an asshole) ♣

PEACHES

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

It was my husband, John's 40th birthday last month, so I decided to give him a special treat that he wouldn't forget for a while! I knew that John had always fantasised about a threesome with me and another girl, and whilst I often played along with this whilst we were fucking by telling him all the things that I would be doing if there was ever another girl with us, I never thought that we would ever make his dream come true. But then Beth started work in the same office as me, and we immediately hit it off. Beth was about my age – very pretty – and with a tidy figure to match, which she tended to show off in quite

revealing clothes. You could tell that all the men in the office were crazy for her, but she never seemed that interested. She always came on the office girls' night out, however, and was very lively and chatty.

On one of these nights out, we'd all had quite a bit to drink, and by the end of the night there were just a few of us sat around a table talking, when the conversation turned to men and their fantasies. Each of the girls with partners shared what their men fantasised about, and not surprisingly several of them mentioned threesomes. We all laughed at this, but Beth was surprisingly quiet, until we were getting ready to leave, when she just leaned over to me and very quietly said, "You know, if you ever fancy giving your husband that threesome, I wouldn't say no."

“Beth held his now rock-hard tool and ever-so-slowly began to lick the tip”

I could hardly believe what I was hearing, but before I could answer she was gone, and I was left with my head in a whirl thinking about what she had just said to me, and wondering if she was serious or if it was just the drink talking. I kept thinking about it in the taxi on the way home, getting more and more horny as I did, so that by the time I stumbled through the door my pussy was dripping wet with excitement. I woke John up, and I was so turned on I let him fuck me every which way he fancied like a wanton slut, ending up with him spurting his cum all over my face whilst I massaged his balls with one hand and fingered my arse with the other!

The next morning, I woke up with a sticky face and a monster hangover, but by the time Monday came round I was recovered enough to want to talk with Beth again and see if she was serious. The first chance I got was mid-morning, when I found myself alone with her in the ladies. I thought I'd approach the subject slowly, but as soon as we were alone, Beth said to me, "I meant what I said on Saturday, you know – if you're up for it, so am I." Now there could be no doubt she was serious, so I just blurted out, "How about Thursday – it's his birthday, and I want to give him a special treat."

Beth grinned at me, and said, "Sounds

good – let's start planning."

Over the next few days, Beth and I met each day for lunch and started to plan John's special treat. It turned out Beth had always been bi-sexual, but hadn't been with a man or a woman since she split up with her last girlfriend. She told me that she's fancied me from the first time she met me, which was very flattering, but that she'd also been missing the feel of a real cock inside her, because her last two relationships had been with girls. So when she heard us talking about threesomes, she decided it was an ideal opportunity for her.

As we developed our plan, I got hornier and hornier thinking about it. I didn't know what was turning me on the most – the thought of getting my hands on Beth, or the thought of watching John fuck her whilst I looked on. Luckily, Beth seemed to be up for both.

On the night of John's birthday, Beth came round to our house early before John got home, and went up to our bedroom to start putting our plan into action. When John arrived, I sent him straight up for a shower, and told him that I had a special treat waiting for him. I knew that he'd be expecting a blowjob or to fuck me up the arse, which were my usual presents to him – little did he know that this time I had something even more special lined up.

When her got out of the shower I towelled him dry, and then led him to the bedroom where I sat him down naked on the chair and told him to close his eyes tight. Beth slipped out from behind the door where she was hiding, and my breath caught in my throat when I saw just how sexy she looked. We'd spoken about what we were both going to wear, but even so the sight of her in pure white lace bra and thong panties, with matching suspender and deep lace-top stockings, with four inch stiletto heels and deep red lipstick – well, it was the classic male fantasy. I slipped off the robe that I'd been wearing, revealing my matching outfit, but all in deep black lace rather than white. Beth and I stood together in front of the chair with our arms around each other's waists, and I said gently to John, "You can open your eyes now."

As he did so, I pressed the play button on the remote, and John's favourite porno came on the screen to the side of us, just at the point where the two girls in it were kneeling in front of the male lead and noisily sucking him off.

"This is my girlfriend, Beth," I said, "And that's what you've got coming. But first, watch this." And with that, I leant forward and kissed Beth passionately on the mouth, pushing my tongue in as I did so, and then pulling away ever so slightly so that John

could see that I had. I continued to snog Beth for all I was worth for another minute or two, exploring her mouth with my tongue and feeling her respond with her own as I did so. Then we stepped back from each other and, just as we'd planned, each reached behind to simultaneously unhook our bras and let them slide off us.

One of the girls on the porno was now being fucked up the arse by the male stud whilst she licked her girlfriends' cunt, making plenty of noise about it. But as I glanced at John, his eyes were

riveted on Beth and me. Beth's tits were smaller than I'd expected – she must have worn push-up bras to work – but still a decent size, very firm, with dark pink nipples sticking out hard in front. We reached forward with opposite hands, and each cupped the others' boob and began to gently caress it. I bent my head down, and began to slowly circle one of Beth's nipples with my tongue, before taking it between my lips and sucking it to full hardness.

"Do you like what you see?" I heard Beth ask John. "God, yes!" I heard him reply, and I looked across to see that his cock was in his hand, and looked about ready to burst it was so swollen. I let Beth's nipple slip from my mouth, and we stepped together to the chair, each taking one of John's hands and pulling him up. I put the cushions from the chair on the floor in front of him, and Beth and I knelt on them, one either side. I took John's heavy ball sack in my hand and began to gently squeeze it, whilst Beth held his now rock-hard tool, and ever-so-slowly began to lick the tip, before opening her painted-red lips wide and taking

the whole head of it into her mouth. I heard John let out a deep sigh, as Beth started to work her mouth up and down his member.

For all that she'd said about her last two affairs being with girls, this clearly wasn't the first time that she'd sucked cock, and she went at it with an enthusiasm and skill that put the porno girls to shame. We had planned to share the blowjob between us, but I was enjoying watching another girl suck my husband off so much that I decided to let her have it, and moved round behind her on my knees so that I could reach forward and

caress her tits while she lapped at John's tool.

Beth let John's cock slip from between her lips, then held it and began to rub it all over her face, the shiny red helmet pressing against her cheeks as she did so. She then took it back in her mouth, and started to repeat the cycle of sucking and rubbing as I massaged her boobs firmly from behind, occasionally pinching a nipple between my thumb and finger.

The girls on the porno had been joined by a second stud now, and one of them had a cock in her pussy whilst the other had his in her arse, with her face buried in the other girl's snatch, muffling her cries of ecstasy. This was all just too much for John, and as Beth rubbed the head of his tool across her face one more time, I heard him call out as a torrent of hot, sticky cum flew out over her cheeks and chin, the force of it making some even splash back on to my face behind Beth.

She let his still-hard cock slip from her hand, and turned to me, her face covered in John's spunk, which was running down on to her smiling lips. She kissed me deeply, and I could taste the cum that she pushed into my mouth with her tongue, as she did so. John had collapsed back in to the chair, so I took Beth's hand and led her over to the bed, pushing her gently to lie back on it. I reached

touch, and more juice flood from Beth's pussy over my face and mouth.

I could sense that she was getting close to coming, and I was incredibly tempted to push her over the edge to experience another woman's climax at my touch. But remembering that this was John's treat I pulled away, the taste of pussy ripe in my

“ I squirted a little lube on to Beth's arsehole and massaged it in ”

down and took hold of her panties, and she lifted her bum slightly in the air as I pulled them down over her suspenders and stockings and slipped them off past her stiletto heels. I gazed down at her sweet pussy which, like mine, was completely free from hair, and kneeling at the edge of the bed I put my hands on the inside of her thighs and gently spread her legs open. I was greeted by the musky smell of her sex, and I dipped my head forward and inhaled deeply, before trailing kisses upwards on her inner thighs above her lacy stocking tops.

I love the taste of another girl's pussy, and I knew that I wanted that now, so ever-so-gently I pushed out my tongue and began to lick around Beth's fleshy outer lips, before using it to tease them apart and probe her inner folds. She groaned softly, and I looked up to see that she was caressing her breasts as my tongue worked away at her cunt.

I bent forward again, and used two fingers to hold her open as I pushed my tongue deep into her hole, feeling a surge of her sweet-tasting wetness in my mouth as I did so. With my free hand I began to massage her clit, which was larger than mine, and so prominent that I couldn't miss it. I felt it harden under my

mouth, and gently used my hands to position Beth on all fours at the edge of the bed, her arse pushed in the air with cheeks apart, revealing her tempting little puckered brown hole in between.

I cupped her sex in my hand from behind, letting my fingers circle round her clit, and pushed my thumb inside her. She was so wet it slipped in immediately, so I turned to John and said, "I think she's ready for you now."

He didn't need telling twice, and with his now hard-again-cock in his hand, he approached the bed. I took hold of his tool, and positioned it at Beth's pussy opening, then John slowly pushed forward, and I watched my husband's cock disappear up another woman's cunt for the first time. I couldn't see what was going on in the porno behind us, but from the sounds of it the two studs were giving the girls a good seeing-to, their cries of pleasure a backdrop to Beth's own moans as John began to slide his cock in and out of her sopping wet hole. Every few strokes he pulled his cock all the way out and held it to my mouth for me to suck Beth's juices from it, before returning it to her warm wetness, once more.

As John thrust in and out of Beth's cunt, the

friction caused her arsehole to stretch and relax with each stroke, and this looked so sexy I couldn't resist just dipping my head forward and running my tongue around it, and then flicking the tip over the super-sensitive hole itself.

I've always found having my anus licked an incredible turn on, and from the increased volume of Beth's moans, it seemed that she felt the same. I licked around her sweet little bumhole some more, poking at it with my tongue whilst John continued to slam away at her cunt, and hearing Beth's moans getting louder and louder as we did so. "I want something in my arse, now!" She shouted, so I quickly went over to my bedside cabinet, and took out a tube of lubricant plus my favourite butt-plug, a 4-inch vibrating model, with a narrow tip flaring out to a wide base.

I squirted a little lube on to Beth's arsehole and massaged it in, feeling one, then two of my fingers slip into her arse as I did so. I pulled them out, switched on the vibe on the butt-plug, then held the tip to her hole and gently pushed. The first inch or two slipped in easily with the lube, but as it widened out towards the base I had to use more pressure. "Keep going!" I heard Beth cry, so with John still hammering away at her pussy, and to the sound of the porno behind us, I pushed the

rest of the butt-plug into Beth's arse, watching her little anus twitch and stretch around the thick toy as it slid in.

I knew from personal experience how it must be feeling for Beth to have her arse and pussy filled at the same time, and for John too, as the vibrations of the butt-plug were transmitted to his cock through the walls of her pussy. So it was no surprise that neither of them could hold back much longer, and as Beth started to yell out that she was coming, I heard John shout that he was, too. He slammed his cock into cunt one more time and shot his load deep inside her as she climaxed around him, squirts of her pussy juice raining out over the bed as she did so.

Beth collapsed forward onto the bed, John's cock slipping from her as she did, but the butt-plug remaining firmly lodged up her arse. I knelt on the floor behind her, and leant forward to lap at my husband's spunk as it dribbled slowly out of her cunt, savouring the mixed flavour of pussy and cum. I gently pulled the butt-plug from her arse, hearing a slurping sound as she reluctantly gave it up, and seeing her anus gape a little for a few seconds after it came free, before returning to its normal size. I looked over at John, and could see that he had collapsed back on the chair, fully spent.

"What about me?" I teased him. "When do I get to feel that cock of yours?" He just laughed and replied, "I think that you'd better get Beth to sort you out for now - I'm done for." And with that, Beth rolled over and leant forward, putting her mouth to mine, and cupping my breast with her hand. But once John was hard again, both of our tight arseholes were the first thing on the menu for him...

Taylor Vixen more than lives up to her name...

Making your debut in *Club International* is one thing, but making your debut and going straight in as the centrefold, marks you out as something special. And we think Taylor Vixen is something special.

"That's very sweet of you," trills the babe from Maryland. "I'm honoured to be in *Club* to start with. I only started modelling recently for fun, but it seems to really be taking off in the past few months."

Well, we think you're a natural.

"Gee. Well, I'm certainly going to stay all natural. I don't mind fake tits to squeeze on, but I'm happy with what I've got. They say any more than a mouthful is a waste!"

KAMI-KAZE! ♣

We'd like to pilot Kami's pussy...

From that little pubic tuft, the *Club* scientists (who bring their own bunsen burners and pipettes to work) have divined that Kami is not a real redhead. But, frankly, we don't give a damn. In our minds (ok, our cocks) she's a redhead, with her milky skin and fiery mane. We don't really care about matching collars and cuffs, we love the variation of a ginger bonce and a brunette landing strip. Plus, if you're lucky enough to be getting a first-hand look at the colour of Kami's fanny topiary, you're not going to want to blow it by asking her precisely what Pantone reference her pubes are, are you? No, you're going to be in there face first, ginger or no ginger. And you won't even want to come up for air. ♣

EUROTHRILLIONS! ♣

We enjoy a European union with Claudie...

If the Euro-sceptics in our ridiculous government had their way, we'd never get to lay eyes on primo Euro-pussy like Claudie. They'd ban it. Yup. All that stuff about straight bananas and different kinds of sausage – pure tabloid bullshit. Europe has been nothing but good for us, mostly because we now have unfettered access to the fleshpots of the Riviera, the Dalmatian coast and the vowel-less towns of Eastern Europe. Claudie can simply pack up her little suitcase on a whim, come over here and open her legs wide and show us her incredible Euro-snatch and Euro-bumhole. And then she'd probably do us a decent plumbing job without having 200 tea breaks every single fucking hour. ♣

What our well-placed moles are telling us this month...

DOWN THE WIRE

Bouncing Bollocks

Scotland's Falkirk Sheriff Court recently took an understandably dim view of one of the Stirlingshire town's citizen's nocturnal misbehaviour. Fifty-five-year-old James Burden was convicted of indecent exposure following

an incident when a female neighbour peered from her window just before dawn and saw Burden, stark bollock naked, puffing a cigarette and masturbating while bouncing on the trampoline in her garden. In court, Burden loudly protested his conviction, insisting that he could not have known anyone would be watching at that early hour.

Braveheart died for this?

Piggyback Rides

Police in Bonney Lake, Washington, are currently hunting a pervert who calls himself 'Dale' and reportedly haunts a high school trying to befriend male athletes who can help him to satisfy his very particular sexual appetites.

Most recently, Dale, whom law enforcers describe as 'potentially dangerous', succeeded in luring a strapping teenage muscleman into a high school library on the pretence of being able to help the boy with a term paper project. But when the youth noticed Dale playing with himself he told him to forget the whole thing and tried to walk away.

At this juncture, however, Dale jumped on his back and demanded that the terrified jock satisfy his fetish and give him a piggyback ride. The search for Dale continues, as police attempt to establish whether the miscreant is on foot, in a car, on being carried towards the state line on some fearful young bloke's shoulders.

Bleedin' In Sweden

A German truck driver in his 30s left the road and totalled his 18-wheeler near Boras, Sweden, and though not seriously hurt, was pinned, immobile, in the wreckage. The cause of the accident was a puzzle until rubberneckers, rescuers and police noticed that the trapped driver's stalk and knackers were on display and his blood-streaked fist was still feebly pumping his knob.

Safer To Just Live Together

Having served their porridge and realised the error of their ways, convicted Canadian murderers Tom Elton, now aged 54, and 59-year-old Brenda Blondell, became prison-rights activists while in jail, and, partly in consequence of their good deeds, they were each eventually paroled.

On the outside, they met up and continued their sterling community work together in Vancouver, British Columbia and even became a couple. Then the two jailhouse lovebirds got married. BIG mistake. Police recently arrested a still-homicidally-irritated-about-something Elton and charged him with murdering Blondell.

Marry in haste, die at leisure.

Cannibal Islanders Appreciative But Repentant

Natives of the Erromango region of Vanuatu, an island in the Pacific, recently held a formal 'conciliation ceremony' with the great-great-grandson of the British missionary Rev. John Williams.

In 1839 Rev Williams, the most celebrated missionary of his time, waded ashore on Vanuatu smiling and waving a King James and was immediately wrestled into a pot, cooked and masticated. His laidback descendant Charles Milner-Williams met with the descendants of the happy, smiling people who had washed down the Reverend with a clay cup of water, and Vanuatian legislator Ralph Regenvanu explained to him that eating folk who stumbled ashore was a cultural thing – "a sacred warrior practice aimed at vanquishing a threat absorbing the power of the enemy".

Mr Milner-Williams said he quite understood. The Vanuatans said that, even so, the islanders were terribly sorry and still felt guilty about having eaten the Reverend. Mr Milner (basically) said these things happen, and not to worry. The Vanuatans said that they realised 'sorry' wasn't really good enough and would Mr Milner-Williams' family like a seven-year-old girl to take home with him as a symbol of their penitence?

Mr Milner-Williams that a seven-year-old girl would do nicely and not to give the whole eating-his-ancestor faux pas another thought. He and his family left the island with the girl, after declaring to the press that he would educate, not eat her. ♣

Heston Blumenthal was getting out of hand.

COX'S PIPPINS! ♣

Mia tastes Carla's core...

When Carla Cox and her girlfriend Mia get together in the kitchen, don't expect them to rustle you up a sandwich. Nope, they're a right pair of klutzes when it comes to culinary skills, but we'd rather watch these two fuck than see Rick Stein licking out Richard Corrigan.

In fact, they get so down and dirty, that you couldn't even make yourself a sandwich on the kitchen top while you watched, it wouldn't be hygienic. Anyway, who wants to eat when these two are juicing up the room? Just refresh yourself by lapping up some of the many juices they spill... ♣

SKYLA PLUS! ♣

She's about to press her red button...

A chintzy hotel room, a stunning girl clad in stockings and suspenders. Yes, it's *Club International* going back to the basics. Sometimes it's the simple things done well that matter, and Shyla here proved to be the perfect subject for a timeless shoot. Mostly because of her awesome bits and because the idea of her lying in wait on a bed in a hotel room is the stuff of erotic dreams, especially in that lingerie.

"Don't you normally interview the girls?" asks Shyla.

Yes we do, Shyla. But we've just run out of space. Soz. ♣
